MEMORANDUM FOR THE RECORD

SUBJECT : EAA Participation by Retirees

STATINT

STATINTL 1. On Monday, 10 February, at 2:00 p.m. a meeting was held in Room 5 E 61, Hq., attended by [redacted] of the Benefits and Services Division [redacted] Office of Security; and [redacted] Central Cover Staff, at which time the question of permitting retirees to retain membership in certain EAA activities was discussed.

2. It was the consensus that there is no way that store facilities can be used by retirees, so that benefits under consideration for the use of retirees would necessarily be limited to the purchase of tickets, and participation in certain club activities; i.e., such clubs as are conducted outside of Agency Buildings.

3. Security assured that there would be no problem involved in arranging for visiting the ticket counter as anyone can enter that particular building entrance from 11 a.m. to 2 p.m. each day. These hours would be established for retirees visiting the building. He further assured that, if necessary, he would provide an appropriate "badge" and "lay it on" with the Guard desk.

4. The representative from Cover was completely in favor of providing this service for the retirees but in view of this limited provision, feels that the benefits to be received will not be worthwhile for retirees as a group.

5. As a result of this discussion it would seem that a meeting with the DD/Pers/SP, C/BSD, and the C/Retirement Affairs Division should be the next step; to decide whether or not these limited services should be provided and if so, to forward necessary papers for "front office" approval.
